BOULDER

ISC2 Boulder Chapter

- Local network of cybersecurity professionals
 - You don't have to be an ISC2 certificate holder to join!
 - Exchange ideas with other professionals
 - Connect with local businesses
 - Engage in certification Study Groups
 - To support this effort, ISC2 Boulder Chapter is hosting a CC Study Group through our **server**
 - Volunteer in the community

| BOULDER

Volunteering with Front Range Community College

- FRCC is looking for volunteers to assist with providing relevant local-area cybersecurity career information, refreshing references and material, and more.
 - *Help identifying in-demand cyber security positions*
 - *Assist in creating/updating reference materials and industry trends*
 - *Identify common and emerging tools and resources*
 - *Professional networking for students, potential internship or other job-related leads*
 - *Exploration of ISC2 entry level certification for students post-school*
 - *Advice and expertise on institutional cybersecurity issues*
- For more information email chance.folmar@frontrange.edu

BOULDER

Ransomware Protection Presentation

- Ransomware is a real risk that many businesses in the community are unprepared for
- We are putting together a talk to present at local Chambers of Commerce to their members
 - **We are looking for volunteers to:**
 - *Create presentation materials*
 - *Give the talk, answer questions after, and connect with local businesses leaders*
- For more information email joel@isc2boulderchapter.org
